INCREASING REGIONAL LGBTI INCLUSION TOGETHER

YOU BELONG IN GEELONG

Feedback from employers and employees, including very clear data from the latest Australian Workplace Equality Index, highlights that LGBTI inclusion in the workplace is more challenging to achieve in regional Australia, as opposed to metropolitan workplaces.

With this in mind, and following in the footsteps of the Victorian Public Service's LGBTI Equality Roadshow, Pride in Diversity is convening a cross-organisational program to help drive awareness and inclusion within the Geelong region.

Kindly hosted by Pride in Diversity member, Deakin University, on Tuesday 25th September 2018, and supported by our key organisational members, a series of events focusing on enablement, networking, best practices and new research will be held during the day, with the intent of progressing real change in regional workplaces, irrespective of size, industry or location of the workplace.
