INCREASING REGIONAL LGBTI INCLUSION TOGETHER

RAINBOW ROCKHAMPTON

PUTTING THE Q INTO CQ

Feedback from employers and employees, including very clear data from the latest Australian Workplace Equality Index, highlights that LGBTI inclusion in the workplace is more challenging to achieve in regional Australia, as opposed to metropolitan workplaces.

With this in mind, Pride in Diversity is convening a cross-organisational program for the LGBTI community, their allies, managers, leaders and HR to help drive awareness and inclusion within the Rockhampton region.

Kindly hosted by Pride in Diversity member, Aurizon, on Monday 20 May 2019, and supported by our key organisational members, a series of events focusing on enablement, networking, best practices and new research will be held during the day, with the intent of progressing real change in regional workplaces, irrespective of size, industry or location of the workplace.
