INCREASING LGBTI INCLUSION TOGETHER ACROSS AUSTRALIA

CONNECTING IN KALGOORLIE

Feedback from employers and employees, coupled with data from the latest Australian Workplace Equality Index, highlights that LGBTI inclusion in the workplace can be more challenging to achieve, and embed in regional Australia, compared to metropolitan workplaces.

With this in mind, Pride in Diversity is convening a cross-organisational and community event to help drive awareness and inclusion within the Kalgoorlie/Boulder region.

Kindly hosted by Pride in Diversity members, Curtin University and KCGM, and supported by other key Pride in Diversity member organisations in the city, a series of activities will be held on **Tuesday 20 August**. Focus for the day will be on enabling, networking, and highlighting best practices in LGBTIQ inclusion, in the form of awareness and ally workshops, member case studies and a community yarn.

Ultimately, through engagement and current research, we seek to influence real change in regional workplaces, irrespective of size, industry or location.
