INCREASING LGBTQ WORKPLACE INCLUSION TOGETHER

DOING MACKAY PROUD WITH LGBTQ INCLUSION

Feedback from employers and employees, including very clear data from the latest Australian Workplace Equality Index, highlights that LGBTQ inclusion in the workplace is more challenging to achieve in regional Australia, as opposed to metropolitan workplaces.

With this in mind, Pride in Diversity is convening a cross-organisational program to help drive awareness and inclusion in regional Queensland.

Kindly hosted by Mackay Regional Council, on 10 May 2021 and supported by Hastings Deering, a series of events focusing on enablement, networking, best practices and new research will be held during the day, with the intent of progressing real change in regional workplaces, irrespective of size, industry or location of the workplace.
